

2015
SAUVIGNON

The 2015 Wine Collection Sauvignon is the first wine from this new collection. TWC comprises the best expression of a range of varietal wines, from a highly limited production. The wine that opens this collection can only be a Sauvignon, because this is the grape variety that is, without doubt, most closely associated with Hans Terzer.

Straw yellow with light green reflections

Exotic fruit, gooseberry aroma, hints of kiwi, white currant and white peach

Minerality, spicy, balance of elegance and freshness

VINES

Variety: Sauvignon
Age: 25 to 35 years

VINEYARDS

Sites: the grapes come exclusively from selected plots in the Appiano Monte vineyard (Eppan Berg)
Soil: Limestone gravel
Training system: Guyot
